

“There are many places to visit in Paris! Let's start with Champs-Élysées and then the Arc de Triomphe,” Daddy suggests.

An illustration of the Eiffel Tower at night, illuminated with golden lights. In the foreground, three people are seen from behind, looking towards the tower. They are wearing winter clothing: a red hat and scarf, a purple hat and coat, and a black coat with a blue turtleneck. The scene is set against a dark night sky with falling snow.

It's already dark by the time they reach the most anticipated stop in Paris and the most visited monument in the world!

The **Eiffel Tower** is twinkling with thousands of lights, making it even more spectacular and unforgettable. They take some selfies and climb to the top for a splendid view over the city. Paris is glowing with the Christmas spirit.

**“Watch out, Mishi, I’m skiing!”** Mashi shouts as she goes down the ski run as fast as she can.

When they reach the end of the ski run, they start a snow fight. Soon, Mishi and Mashi look like snowmen.
